University of Pennsylvania Downs the Cornell Team.

NOTABLE GRIDIRON CONTESTS

In All Parts of the Country Witnessed by Immense Crowds—Chicago and Boston Tied—Duquesne Beats P. A. C. Tigers Will Challenge Duquesne—Michigan and Chicago University Tied—West Virginia University Wins at Charleston. Other News of Sport.

PHILADELPHIA, Nov. 28.—The University of Pennsylvania foot ball eleven, this afternoon defeated the Cornell team by the score of 46 to 2, thus winding up the foot ball season with a clean record of victories to her credit.

Two touch-downs and a goal from the field in the first half, and four touch-downs and a goal from the field in the second half was the record of the red and blue. Cornell had to satisfy herself with a safety.

Strategic play, scientific punts, and brilliant all around interference, were the features of Pennsylvania's game. Cornell's defeat can be summed up in very few words—weak defense and ill timed interference.

Cornell's full-back, Hitchie, was lamentably weak, and an exchange of kicks between him and Brooke was always good for from ten to twenty yards gain for the Pennsylvania team.

There were individual players on the Cornell team who covered themselves with glory. Beacham, at left half back; Hitch, at left tackle and Sweetland at right tackle played brilliantly, as did also Captain Winger, considering his condition. Pennsylvania made her gains at almost any point when the team could strike.

Brooke made one forty-five yard run, and also a seventy-five yard run, but in the latter, the ball was brought back and given to Cornell for holding. Minds also made one run of forty-five yards, and Gilbert carried the ball forty yards, through the entire team, but being caught from behind by Taussing. Farrar at right tackle played his best game of the season.

When the teams lined up at 2:20, 37,000 persons had passed within the gates. Cornell kicked off, the ball going to Brooke on Pennsylvania's twenty-yard line. In just four minutes, Minds scored a touch-down, and Brooke kicked goal. The play became more even, and the ball vacillated back and forth until Brooke secured the pig skin at Cornell's 35-yard line, from which point he kicked a goal from the field. Ten minutes later, time for the first half was called, score: Pennsylvania, 17; Cornell, 0.

When time was called Pennsylvania by short rushes, quickly took the ball over the line, Dickson scoring the point. Brooke kicked goal. With the spheroid at Pennsylvania's fifteen-yard line, Brooke was behind the goal for a kick. He fumbled the ball, and was forced to score a safety. The ball then worked back and forth until Minds made a beautiful run of 45 yards for a touch-down. Brooke kicked goal.

Again Pennsylvania worked rapidly, Dickson carrying the ball twenty yards for a touch-down. Brooke kicked goal. Minds made the next touch-down soon after, and Brooke kicked goal. Pennsylvania worked the ball forward to Cornell's twenty-five yard and there Brooke kicked his second goal from the field. Before Pennsylvania was again able to score, the game was over.

LINSLEY WAS BEATEN At Steubenville, But It Was a Hard Fought Game and There was Credit for Wheeling's Athletes, Even in Defeat. The Full Details.

The Linsley foot ball team, of Wheeling, met their second defeat at the hands of the Steubenville Athletic Club team, yesterday, at Steubenville. Thanksgiving Day was bright overhead, a large crowd was in attendance and the grounds were muddy from recent rains. The Linsley boys put up a big fight and kept the score down. Every man on the Linsley team did well, both individually and in team work.

It was 2:15 when they lined up with Linsley defending the west goal. The Miller, of Steubenville, kicked off and Brannen got the ball, but was tackled without gain. Brannen advanced the ball thirteen yards in two downs. Turner tried the left end, but lost ground. J. Handlan lost ground when he got the ball. W. Handlan kicked and Steubenville Athletic Club got the ball near center. Wintinger, Mooney and Miller advanced the ball eight Linsley's line. The ball was fumbled, the next two times by Steubenville Athletic Club and no gains made. Mooney tried the guards twice for five yards gain; Banks tried a run to right end, but was stopped by Alexander; Mooney went through the left guard for a gain.

The ball was next passed for a kick, but Turner slid through and stole the ball. Brannen tried right guard for no gain; Handlan gained two yards through left guard; Brannen and Tinker made gains through right guards for several yards each. Steubenville Athletic Club got the ball on a forward pass by Tinker. Miller, Mooney and Banks got through the guards for gains from two to four yards each. Mooney got through left guard for ten yards. Miller got through right guard for a small gain. Mooney and Miller then got through left guard for small gains. Miller got through left guard for seven yards and Mooney made a good run to the left, carrying the ball close to Linsley line, but Handlan stopped him. Time was called and then followed a dispute because the Steubenville Athletic Club boys thought the half seemed short.

In the second half, W. Handlan kicked off; Mooney caught the ball and carried it for a gain of twenty-five yards to the left end; Mooney went at right guard for one yard; Banks went through left guard for six yards. The next down the ball was fumbled in passing, but Miller fell on it; Miller was felled through the line for ten yards; Banks went through right guard for three yards; Linsley got the ball on downs; J. Handlan carried the ball to left end, aided by good interference, for twenty-five yards, and was stopped by Wintinger; Tinker made several yards through right guard; Sharp retired from the game with a swollen bump over his eye; Tinker was tackled on the down by Doyle and lost ground; J. Handlan was stopped by Argubench and the ball went to Steubenville Athletic Club on downs; Mooney, Miller and Banks tried the guards, but failed to gain and the ball went to Linsley on downs.

J. Handlan tried the guard, but failed to gain. The ball was fumbled the next down and Daugherty got it, and drove across the field, but it was stopped by W. Handlan; Wintinger fell on the ball after a fumble and saved it; Miller gained four yards through center; Miller kicked to the fence and the ball was brought back to the twenty-five yard line; Argubench tackled J. Handlan for a loss twice; W. Handlan kicked and Wintinger caught and advanced the ball five yards; Mooney got through left guard for five yards; Miller and center got through right guard; Banks and Mooney made gains through guards; Banks got through left guard for ten yards; Mooney made a gain through left guard. The ball was passed to Daugherty, who carried it across the line. It was held to be a forward pass and after a dispute the ball was brought back and Mooney in three downs made such gains that in the third he pushed it over the goal line,

CHARLESTON WAS CRAZY

Over 5,000 Ball Yesterday—West Virginia Defeated Washington and Lee—An Immense Crowd Attended. Special Dispatch to the Intelligencer.

CHARLESTON, W. Va., Nov. 28.—The feature of Thanksgiving day in Charleston was the foot ball game at the ball park between the teams of the Washington and Lee University and West Virginia University. This was the first foot ball game ever seen here, and the town went wild over it. A matinee was to be given at the opera house, but not enough people were left to attend and the "Wicklow Postman" company abandoned the matinee and attended the game themselves; about 4,000 people were in attendance. Nearly all the people had been wearing the West Virginia University colors for three days past and excitement ran high. The West Virginia boys won by a score of 28 to 0.

After the game the boys of both teams were entertained by Governor MacCorkle, who gave a reception in their honor at the executive mansion. The doors of the opera house were opened by Manager Berlew at night and both teams took advantage of his hospitality. This was followed by a dance at Elks hall, given by the Cotillion club and the boys will scarcely be abed when this morning's Intelligencer appears on the streets.

MICHIGAN AND CHICAGO.

The Ann Arbor Boys Shut Out the Windy City Collegians.

MARSHALL FIELD, CHICAGO, Nov. 28.—By 11 o'clock about 5,000 enthusiasts had gathered at Marshall Field. When time was called a light but chilling south wind was blowing. Michigan kicked off taking the north goal. The playing for a time was quite rapid with honors even. Soon however, Michigan's strength in their line compelled Chicago to kick exactly nine and a half minutes after play. Michigan scored her first touch-down. With the ball on Chicago's forty-five-yard line, Hollister took it around the right end for thirty-five yards on a prettily executed cross pass. Ferbert was unable to gain. Bloomington took it through left tackle for four yards. Henninger was given the ball, but he fumbled and the ball rolled behind the goal line, where Richards dropped on it and Bloomington kicked a rather difficult goal. Neither side scored after that, although the ball was mostly in Chicago's territory. Score end first half: Michigan, 6; Chicago, 0.

The second half was a repetition of the first, Michigan scoring a touch-down and goal for six more points and shutting Chicago out. The final score stood: Michigan, 12; Chicago, 0. Bloomington made the second touch-down.

YOUNG'S GREAT RUN

In the Duquesne-P. A. C. Game Was the Feature—P. A. C. Beaten.

PITTSBURGH, Nov. 28.—Ten thousand people saw the contest for local foot ball supremacy to-day in which the Duquesnes defeated Pittsburgh Athletic Club by a score of 19 to 6. In the second half, Young, Duquesne's full back, broke the centre and made a phenomenal run of ninety-five yards for a touch-down.

Came Out a Tie.

CLEVELAND, Nov. 28.—Clear skies and a cold, crisp air combined to make this an ideal foot ball day. The opposing teams were the Pennsylvania State College and Adelbert elevens. The home team played fast and hard in the first half, but could not keep up the pace. The game was marked by two phenomenal runs, one by Evans, of Adelbert, in the first half, when he made forty-five yards by a regular Thorne sprint, and one by Walker, of Pennsylvania, in the second, when he got the ball on a fumble in Pennsylvania's territory and ran a terrific race with Wickham, who caught him at Adelbert's fifteen-yard line. Both clubs played desperately, and many sensational plays were made. The final score was a tie, standing 8 to 8.

East and West.

CHICAGO, Nov. 28.—It was pork against beans, Chicago against Boston, the east against the west, and it resulted in a tie. Chicago 4, Boston 4. In the first half, Boston stood at the end of the foot ball game played between the athletic clubs of the two towns to-day. And it was a great game, at least everybody who knows anything about foot ball playing said it was. According to these same people it was strength against science. Boston, of course, possesses the science and Chicago the strength, and at the end of two hours' hard playing with strength pitted against science the result was a tie. The feature of the game was the stand made by Chicago when the ball was within a foot of the goal line in the first half. The muscles of Chicago not only stopped the ball, but actually pushed it back several yards.

ENDED IN A FIGHT.

Marietta Quitted the Field at Cincinnati. Two Players Fought. CINCINNATI, Nov. 28.—Trouble between the Cincinnati University and Marietta College foot ball teams, which began last week, ended to-day in a forfeited game and culminated to-night in a fight at the Gibson house. Five thousand people paid their way into the base ball park to see the foot ball game, only half of which they saw. Total score: Cincinnati 12; Marietta 6. There was no slugging on the grounds. Once the umpire warned Marietta about off-side playing in the first half. In the second half the umpire penalized Marietta for this offense. Marietta refused to play and quit the game amid jeers of the spectators.

The game, first half, stood 6 to 6. The referee for Marietta's refusal to accept the penalty, gave it to Cincinnati, 12 to 6. At the Gibson house to-night, Foley, of Cincinnati, and Sykes, of Marietta, engaged in a hot discussion of the day's doings. Sykes applied to Foley an opprobrious epithet implying a beastly ancestry. Foley retorted with a hot blow that sprayed Sykes and rendered him speechless for a while. President Simpson, of Marietta, called for the police. Foley was hustled out by a back door. Sykes was taken to his room, where a surgeon cared for his ear, which had been injured in the game, and had been sympathetically hurt by the first blow between the eyes. There have been no subsequent proceedings.

Manager Burrows, of the Tigers, will send Manager Temple, of the Duquesnes, a challenge, and it is believed that a game can be arranged for next week at Pittsburgh or Wheeling.

Lots of Balls Last Night.

Apparently every ball that afforded room for a ball had one last night. The Beethoven gave a family affair, for which Meyer's orchestra played. An orderly and enjoyable time was had. The Authentic Athletic Association held forth at Turner hall, with Meister's orchestra furnishing the music, and the attendance was unusually large.

Excelsior lodge L. O. P. gave its annual dance at Odd Fellows' hall. Bachman's orchestra played, and there was a large crowd present. This was one of the most enjoyable features of the Thanksgiving season.

The German Veterans' Association gave a ball at its hall on South Main street for the members and their families, and it was one of the most enjoyable events of the kind in the history of the organization.

DR. WURTH'S OPINION

Of the New Discovery in Medicine. A Remarkably Successful Remedy for Dyspepsia, Indigestion and Stomach Troubles.

Dr. Wurtz in commenting on recent discoveries in medicine said: There is none which is certain to be so valuable and far reaching in benefit as Stuart's Dyspepsia Tablets, the new stomach remedy; I say far reaching, because people little realize how important a sound stomach and vigorous digestion is to every man, woman and child. Indigestion is the starting point of consumption, heart disease, Bright's disease, diabetes, nervous prostration, liver troubles. Why is this so? Simply because every nerve, muscle and tissue in our bodies is created and nourished from the food we eat. If that food is by reason of a weak stomach, compelled to lie for hours, a sour, fermenting mass of half-digested food, it poisons the blood and nervous system, creates gas which distends the stomach and bowels, causing pressure on the heart, lungs and other organs and seriously impeding their action.

He says further, the point to direct attention is not the nerves, nor heart, nor lungs, nor kidneys, but the stomach, the first cause of all the mischief. The remedy to use for indigestion and weak stomachs is not some cathartic, but a remedy which will digest the food, increase the flow of gastric juice, absorb the gases, and Stuart's Dyspepsia Tablets will accomplish exactly this result in any case of stomach trouble. Because these tablets are composed of the digestive acids, asettle pepsin, Golden Seal and bismuth, pleasant to taste, and not being a patent medicine, can be used by anyone with perfect safety. I believe Stuart's Dyspepsia Tablets will cure any form of indigestion and stomach trouble except cancer of stomach.

For these packages of Stuart's Dyspepsia Tablets are sold by druggists at 50 cents, or by mail from Stuart Co., Marshall, Mich. A book on stomach diseases, together with thousands of testimonials, will be sent by addressing above, or call on your druggist for them.
